

Church musicians, do you care about choral music's future in worship? So does ACDA.

Our art transcends the stage, classroom and sanctuary to reveal that which is most profoundly human and divine. That intersection is the setting for "ONE SONG"—a unique, affirming learning experience designed to impact professional, amateur and bivocational conductors who lead choirs in sacred spaces. Over three days we will explore the "... worthy things" which dignify the calling of sacred music.

ONE SONG
